3. If you are a new user is signing up for the first time, you will be taken to the screen noted here to enter information as shown in **Graphic 2**, below. The user will need to enter their a) email address and b) create a user name, c) create a password, and d) fill out First Name, Last Name, Phone Number fields as given at the time of your appointment. Please note, the email address used to log in does not have to be the same email address on file at the healthcare professional's office, however the phone number does.

Graphic 2: Sign up for a new Patient Fusion account

The image shows a mobile application sign-up screen for Patient Fusion. The background is a blurred image of a person's ear. The form is white with rounded corners. At the top is the Patient Fusion logo, which consists of a blue cube icon followed by the text "patient fusion". Below the logo are two tabs: "Log In" and "Sign Up", with "Sign Up" being the active tab. The form contains several input fields: an email field with the placeholder "Carol.Patient@email.com", a username field with the placeholder "your username", a password field with the placeholder "your password" and a toggle for visibility, a "First name" field, a "Last name" field, and a "Phone number" field. At the bottom of the form is a grey bar with the text "By signing up, you agree to our terms of service and privacy policy." Below this is a large orange button with the text "SIGN UP >".
